Yang et al. :

Application No. 10/082,188 : DECISION Filed: February 26, 2002 : ON PETITION

For: METHOD OF NARROW SEARCH : FOR BOOKS THE INTERNET :

This is a decision on the Petition for Withdrawal of Abandonment, filed via Facsimile on January 10, 2006. The petition is properly treated under 37 CFR 1.181.

The petition is granted.

Background

The above-identified application became abandoned for failure to timely and properly reply to the final Office action, mailed January 19, 2005. The Office action set a three (3) month period for reply. No complete and proper reply having been filed, this application became abandoned on April 20, 2005. A Notice of Abandonment was mailed on October 25, 2005.

The instant petition

Applicant files this petition and asserts that a complete and proper reply was timely filed in this Office via facsimile on July 18, 2005. In support of this assertion, Applicant files copies of a Request for Continued Examination ("RCE") and a Petition for Extension of Time, both of which included a Certificate of Transmission under 37 CFR 1.8. Applicant also provides a copy of an Auto-Reply Facsimile Transmission indicating receipt by this Office of 14 pages of transmission on July 18, 2005.

In view of the above, Applicant has demonstrated timely filing of the RCE by a preponderance of the evidence. As such, the holding of abandonment is improper and is hereby withdrawn.

No petition fee has been charged and none is due.

The application file is being referred to Technology Center Art Unit 2167 for consideration of the RCE filed July 18, 2005, and for continued examination in due course.

Telephone inquiries concerning this matter should be directed to the undersigned at (571) 272-3232.
